H. C. BEATTY PAYS THE PENALTY OF DEATH AT DAWN FRIDAY MORNING

DID NOT CONFESS

Wife Murderer Goes to Chair at 7:20 A. M. — First Shock Extinguishes His Life—Breaks Down and Weeps When Bidding Family Goodbye — Story of the Murder.

Richmond, Va., Nov. 24.—Henry Clay Beatty was electrocuted here at 7:20 o'clock Friday morning, paying the death penalty for having murdered his young wife. Beatty was pronounced dead one minute after the first shock. He went to the death chair unshaken and although entreated by his spiritual adviser to confess he smiled in dissent and did not acknowledge his guilt.

Richmond, Va., Nov. 24.—Henry Clay Beatty, Jr., prepared to take the plunge into the unknown by bidding farewell to his immediate family. For a few brief moments he broke down and it was feared his remarkable nerve and stoicism were about to desert him. This was when he took leave of his father and brother Douglas. When the parting came, the son laid his head on his father's breast and sobbed convulsively. One arm was flung across his father's shoulders, the other hand gripped that of his brother.

But he recovered quickly. The fortitude of the elder Beatty had more to do with the recovery than the soothing offices of the Rev. Benjamin Dennis, who has labored with the doomed prisoner. With Spartan self-control, the father kept his emotions in check, although the tears raced down his cheeks and his lips twitched pathetically. No words were spoken, but the young wife murderer must have felt the stern repression of his parent, for his sobs were strangled and he straightened.

"Goodbye," he said, and turned away. Neither father nor brother trusted to make reply, but made their way from the cell. Hazel, the 18-year-old sister of the prisoner, and his two aunts drove to the state prison in a closed carriage. They were in the death chamber a trifle more than an hour. When they emerged Hazel was on the verge of collapse, while all three were violently agitated and the eyes of each were red and puffed with weeping.

KILLED ON LONELY ROAD

Young Virginia Aristocrat Said Unknown Man Fired Shot.

Richmond, Va., Nov. 24.—On the evening of July 18 of this year Henry Clay Beatty, 27, son of a well-to-do northern man who had been established since the reconstruction as a merchant in South Richmond, took his wife out for a ride in his automobile. She had only recently borne Beatty his first child, a son, and, as has been developed, she had removed from Beatty's home to that of her uncle, Fred Owen, a few weeks prior to the night of the fatal automobile ride in pursuance of her determination to secure a divorce from her husband.

Young Beatty directed his machine onto the Middlethian turnpike, a dark road, bordered by heavy timber. He drove it into the Owen yard a little before 11 o'clock at high speed and with only his right hand on the steering wheel. With his left arm he held his wife's body in place on the front seat beside him. There was a gunshot wound below her right eye which had instantly caused her death. Beatty said that while driving slowly along the Middlethian turnpike a man suddenly stepped out of the shadows by the side of the road, had cursed him for nearly running him down, and then raised a shotgun and fired point blank at him. Since he had suddenly stooped over to throw in his clutch the car had gone over his head, Beatty asserted, and had struck his wife.

Painfully Frank.

Wordsworth on one occasion when talking to his wife referred to a time when, "as you know, I was better looking." "But, my dear," replied she, "you were always very ugly."

BEATTY LEAVES A STATEMENT

Sealed Missive Left With Minister Says He Was Guilty of Crime and Is Sorry — The Statement.

Richmond, Va., Nov. 24.—Henry Clay Beatty, Jr., left a statement with his spiritual advisers, Revs. Jno. J. Fix and Benjamin Dennis. The ministers went to the Beatty home in South Richmond to urge the parents to permit them to make it public and the family has consented. Douglas refused to indicate if it is in the nature of a confession. Luther Scherero, the detective who built up the case around Beatty, declared it to be an admission of guilt.

The text of Beatty's statement follows: "I am desirous of standing right before God. I confess my guilt. Much that was published in connection with the case was not true but the awful fact remains. For this action I am sorry. I am believing I am in peace with God and am soon to pass into his presence."

POLLY'S TEAM WILL TRY FOR REVENGE

The second contest of the series of boxball will be held at the Smoke House alley tonight. "Polly" Powell is confident of the ability of his men to overcome the lead of the team which the other team has on his bunch that he is already putting up even money on the outcome. The Smoke House bunch expects to do much better on its own alleys and come out with a big lead. A large number of rooters will be present to cheer the team to victory.

DENIES STORY OF CALL LOAN

Head of Standard Oil Company Tells of Ore Deal

New York, Nov. 24.—John D. Rockefeller, charged by the Merritt brothers before the Stanley committee with having employed questionable business methods in conducting a deal for some valuable ore and railroad property in the Mesaba range, has authorized the following statement:

"Referring to the testimony of the Merritt brothers before the Stanley committee, in which they charged fraud and misrepresentation by Mr. Rockefeller and Mr. Gates in connection with the Lake Superior Consolidated iron mines, and that they were deprived of their interest in that company by means of a loan made them by Mr. Rockefeller of \$420,000 which he called during the panic of 1893, all of which statements were denied under oath in the United States courts at the trial of the litigation in 1895, it would be absurd to try in the newspapers at this late date the issues in that case, but it is significant that upon the settlement which was made at the close of the litigation both Alfred and Leonard Merritt, the two who testified before the Stanley committee, together with all the other members of his family, gave Mr. Rockefeller the following paper:

Took It All Back.

"Certain matters of difference have existed between the undersigned and John D. Rockefeller and a certain litigation has been pending between the undersigned, Alfred Merritt and Mr. Rockefeller, in which litigation it was claimed that certain misrepresentations were made by Mr. Rockefeller and those acting for him concerning certain properties sold by him to Lake Superior Consolidated iron mines. It is hereby declared that from recent independent investigations made by us or under our direction, we have become satisfied that no misrepresentation was made or fraud, committed by Mr. Rockefeller or by his agents or attorneys for him upon the sale by him of any property to us or any of us or to Lake Superior Consolidated iron mines or upon the purchase by him from one or more of us of any stocks or interests in any mining or railway company or companies or upon the pledge by us or either of us to him of stocks and securities belonging to one or more of us, and we hereby withdraw all such charges and claims and exonerate Mr. Rockefeller and his agents therefrom."

AND HE LOOKED FOR DRY QUARTERS

Stranger Had Suit Case That Looked Like a Crazy Quilt

A stranger in a light overcoat, with brand new pair of gloves sticking out of the upper pocket, and carrying two suit cases, one of which was literally covered with imitation traveling "pasters," arrived in town on No. 6 this afternoon and immediately inquired for dry headquarters.

One of the dry leaders was at the station, evidently looking for someone he did not know but failed to connect with this individual.

The man's grip attracted much attention. He had evidently cut on the tops of front pages of railroad folders and pasted them all over his grip, in imitation of people who have traveled through Europe and come home with their grips covered with the pasters of various hotels, etc.

M'GINNIS TALKS NEW HIGH SCHOOL

Member Board of Education Says He Favors This in Speech to Students

A new high school was the theme struck by O. P. McGinnis, retiring member of the board of education, in an address delivered by him at the high school Friday afternoon, and he struck a responsive chord. The address aroused greatest enthusiasm and the students, who keenly appreciate the shortcomings of the present building used for high school purposes, shouted their approval.

Mr. McGinnis pointed out that Coshocton is behind her neighbors in her high school equipment and declared that this city needs a new high school building badly; the work of the high school is excellent, and merits a modern building.

TO FACE PERJURY CHARGE

Mrs. Martha Armstrong-Sprague May Get Into Serious Trouble Here

MARRIED SPRAGUE IN STARK COUNTY

License Was Refused Couple By Ashman—Said She Lived in Canton

Because she swore that her home was in Stark county when she made application for a marriage license to the Canton probate judge last Saturday, Mrs. Martha Armstrong of Coshocton may face a charge of perjury preferred by Prosecutor Klein of Coshocton.

Mrs. Armstrong and Sam Sprague were married by a Justice in Canton last Saturday morning. Sprague will be tried next Monday in the local common pleas court on the charge of assaulting Mrs. Armstrong's 16-year-old son, Willie Summerville. The prosecutor thinks the marriage was planned so Mrs. Armstrong would not have to testify against Sprague at the trial and it is her testimony that is expected to furnish the heaviest evidence against the man.

Mrs. Armstrong and Sam Sprague were refused a marriage license in the Coshocton court last summer by Probate Judge Ashman. At that time Mrs. Armstrong claimed she was in a delicate condition, and said if Sprague would not marry her she would prefer charges against him. This happened on the day Sprague was released from the county jail on bond awaiting the meeting of the grand jury in September to investigate the case.

At the time of the alleged assault the story shocked Coshocton. It was alleged that Sprague was living with Mrs. Armstrong. When Willie Summerville, the woman's son by her first marriage, knew too much, the anger of Sprague fell upon him, it is alleged. When Willie spoke it is alleged that Sprague struck and bent him shamefully. Sprague is a man of huge proportions. Summerville was in a hospital for the next day suffering with bruises and cuts on his face and body, alleged to have been inflicted by the human brute. The probate court referred the case to the prosecutor who secured an indictment against Sprague.

Last Saturday the couple went to Canton and were married. Prosecutor Klein heard of it and Friday morning called up the Stark-co. probate judge who told him the report was true. They were married by a Justice of the peace, Mrs. Armstrong swore to the court that she lived in Canton. Her home has been Coshocton for the last two years and her rent has been paid for her by some of her relatives living in this city. She is said to have come from a highly respected family and has a number of influential relatives in Coshocton.

The fact that they are man and wife will probably keep the woman from testifying against Sprague but Prosecutor Klein said Friday that he would attempt to have her evidence accepted.

REV. SECREST TO EXPLAIN STAND

M. E. Pastor To Discuss Opinion Issue in His Pulpit Sunday Night.

Rev. Secrest of the M. E. church will tell his congregation just how he stands of the "wet" and "dry" question from the pulpit of his church Sunday evening at the regular service.

To an Age reporter Friday morning Rev. Secrest said: "I have been misunderstood in the stand I have taken in this fight. I deplore the fact that I have been drawn into this fight. Until now I have been preaching the gospel from my pulpit and have kept this local option question entirely out of the pulpit. In the last few days of the fight have come to me and each has accused me of being in favor of the other side. Sunday night I will tell my people my views on the question in a friendly, kindly manner."

EGG FAMINE IN THE CITY NOW

Grocers Say They Will Sell At 50 Cents If Present Conditions Continue

Coshocton is just now in the midst of an egg famine. The condition is growing alarming and if it continues eggs by Christmas will be selling for 50 cents a dozen. Today grocers are quoting eggs at 37 cents retail and are offering 34 cents wholesale but even at this high figure few have been secured.

Cold storage eggs are plentiful but they too bring a high figure and most of the Coshocton grocers will go without them rather than handle cold storage eggs. The sudden cold weather is said to be the cause of the hens going on a strike.

FILE MOTION TO DISMISS MAPLE CASE

Claim Hamilton's Attorneys Erred in Filing Brief in Supreme Court

MAPLE WANTS HIS BACK PAY

Atty. Burt Voorhees went to Columbus Friday morning to file a motion in the supreme court asking for the dismissal of the famous John R. Maple chief of police case which has been hanging fire in the courts for over two years. He asks a dismissal on the ground that ex-Mayor Hamilton's attorney failed to comply with the rules of the court when he filed his briefs. If the motion is sustained, Maple will be entitled to reinstatement and money as salary from the city from when he was dismissed until the present time.

The motion will be heard by the supreme court next Wednesday when the case is scheduled to be heard on its merits. Should the court sustain the motion of Maple the case will be ended but if it is overruled the case will go on and be heard on its merits. Maple's attorneys feel confident that their motion will be sustained.

Since Gall Hamilton ousted Maple from the office of chief of police and placed in his stead former Lieut. of Police P. B. Johnson, Maple has reported at the mayor's office each morning. He has done this to make a claim against the city for his salary should he win the case in the supreme court.

INTERCHANGE TO BE FOUGHT

Telephone Companies Will Combat Supreme Court If It Is Necessary

"The telephone companies of Ohio will fight to the supreme court of the United States before they will give up in the question of interchange of service with the little mutual telephone companies," said H. P. Polson, vice president of the Citizens' Telephone company of Circleville, yesterday. "The question raised in the Killbourn case is of supreme importance to telephone interests in Ohio."

"The independent telephone companies will contest the sections of the public utilities law, which provides for physical connection and interchange of service with other companies with which they do not wish to exchange service. These sections, if applied as the little fellows wish them applied, would be ruinous to many telephone companies in Ohio."

"With inefficient service and inadequate equipment the little companies could force us to give them our service and we would be in the position of arming the opposition to fight us. The only solution that appears to me is to let the telephone companies be to give the commission power over the telephone business in the state to rule it with an iron hand. If the mutual telephone companies hitch on to our lines we will be placed in the position of virtually having to keep both lines in working order. Moreover if the mutual telephone companies are forced to pay proper rates on an interchange of service basis they will not be able to exist."

DISTRICT ATTORNEY ORDERS SHERIFF TO RELEASE HIS PRISONER

Shaffer, Wanted Here For Abandonment, is Member of Marines, and Sheriff Couldn't Touch Him, Says District Attorney of California — Will Have to Return Home Empty Handed Now — First Time Coshocton County Has Lost Case of Similar Character — It Has Grown Famous.

Sheriff McDonald has lost in his fight in the California courts to obtain possession of Ralph Shaffer, wanted here for abandoning his child, according to a telegram received here late Thursday afternoon by Prosecutor Klein. The district attorney of California has ordered Shaffer released and the sheriff from Coshocton county will have to return home empty handed.

The telegram did not contain any of the details of the losing of the fight, which has become famous throughout Ohio. It merely said that the prisoner had been ordered released. It is said Shaffer has joined the marines recently and as the government has him in its possession it is impossible for the sheriff to get hold of him on an abandonment charge.

Since Prosecutor Klein took the office in Coshocton county, this is the first time that he has failed in landing his prisoner from another state. The last case out of the county was a penny but the prisoner had to pay out a pretty sum before he had the case straightened out. He made a fight similar to the one the sheriff is now facing. The sheriff hired an attorney who's fee was \$150; the prisoner's attorneys' fees were over \$100. All this the prisoner had to pay together with the sheriff's costs of transportation and other charges. The sheriff, as will be remembered, went to Reno, Nev., a week ago after Shaffer. Shaffer began his fight immediately but before habeas corpus papers could be secured by Shaffer's attorneys the sheriff had his man.

Late this afternoon Pros. Klein received a telegram from District Attorney Tuttle of California saying that the judge had ordered Shaffer released under the habeas corpus as it is illegal in California. He asked the prosecutor here if he could get requisition papers for Shaffer in California, stating that he would hold Shaffer until Klein replies. The telegram was sent early yesterday morning and never reached here until late Friday afternoon. In the meantime Mrs. A. C. McDonald received a telegram from the sheriff Friday morning saying he had "lost out" and would start for home soon.

Pros. Klein said to The Age this afternoon that he thinks the best thing he can do is to let Shaffer go now and try and get him later on.

The Theatre

At The Mystic

"Leaves of a Romance" at the Mystic last night had each scene of the melodrama taken in various leaves. It was both picturesque and striking. The story tells of a western man winning the love of a girl from the east and causing the throwing over of an eastern dandy.

"The Terms of the Will" was a splendid scene, part of which was taken on the Mexican border. By the terms of an uncle's will McConnell, a young man, is to inherit his entire estate if he marries in 30 days. He is already engaged and goes to claim his bride. A Mexican learns of the will and forces the young man at the point of a revolver to marry his sister. All turns out well when in a stray encounter the Mexican girl is killed and he is allowed to marry the girl of his taste.

At The Utahna.

"Jack's Umbrella" was a laugh producer of the first quality. Jack's wife gives him a handsome umbrella. Jack loses the umbrella and inserts a "lost" ad in a newspaper. When they awake the next morning they find dozens of umbrellas on the porch instead of the original one of the Utahna.

"The Mistress of the Hacienda Del Cerro" was a drama featured with unusually good acting by the leading characters. Richard Young an American immigrant takes his sick wife to the Hacienda Del Cerro. Dolores, a daughter of the estate becomes passionately in love with Richard. He rejects her love and she plans several revenge schemes. Her plans go amiss and in the end she commits suicide.

At The Colonial.

Kern & Davis in their musical comedy act were the hit at the Colonial last night. Their songs and dances were new and lively. Their rapid fire of witty jokes kept the house in a continual uproar.

The pictures were also good. "Jim Jackson, Champion" was a cleverly executed comedy, showing how a small boy by superhuman strength puts to flight the champion Jim Jackson.

The Pride of the West was a pretty romance.

At The Luna.

"The House That Jack Built" in parallel to the well known story was an interesting picture. The picture shows the house that Jack built, the coming of his bride to the house in which she will make her home. At first she ridicules a house which he has built but finally decides that it will do. The happenings are not all like those of the story but the verses fit in for each scene.

Helen Lowell in "The Rejuvenation of Aunt Mary"

"The Rejuvenation of Aunt Mary" as presented by Helen Lowell is now numbered as one of the best American comedies ever produced. It is Aunt Mary is an odd type of character as given by Miss Lowell. One of a class as found in New England States, and nowhere else, and yet this genuine actress with an alert apprehension of humor, east and fluency, presents the eccentric old lady so vividly that the majority of the audience recognizes the type. The situations and incidents developing from them are very funny and yet consistent and entertaining.

Miss Lowell and her company will appear at Sixth-St. theatre early in December.

EXPERT OPINION

Just now there appears to be a variance of opinion whether the Rose law has been a failure in Coshocton or not. More than 90 percent of the retail business men believe that it has been a failure and are asking the people to vote it out and to vote back the open saloon where liquor traffic may be regulated. The anti-saloon league adherents, who are far fewer than they were three years ago, are insisting that the Rose law has been a success.

At this point it is interesting to indulge in a moment's retrospection. A couple of years ago there appeared on the editorial page of the Ohio State Journal (Columbus) in the people's column, a communication dated "Coshocton, O., April 27" and bearing the signature "J. F. M." We surmise that the article was written by Mr. J. F. Meek, the local lieutenant of Wayne B. Wheeler of the anti-saloon league. In that communication signed by "J. F. M." appears the following paragraph:

"The Rose law so far in Coshocton county is almost a failure—at least a little more than half so, because there are now 15 saloons whereas before the county voted dry there were 26.

If it were a half-failure then with 15 'saloons,' what about it now with more than 300 'kitchen saloons,' bootleggers, etc., etc? Is the Rose law a failure? Most assuredly.

A STRENUOUS SANCTUM

It is of pertinent interest to note that the Outlook, the magazine which has Theodore Roosevelt as an associate editor, has announced that early in the new year it will print an authorized article on "The President's own view of it," being prepared by Francis Leupp with President Taft's assistance, giving the chief executive's opinion as to what his administration has accomplished and what he hopes to accomplish. It will be interesting reading whether the reader agrees with the president or not. And to show its wide scope of the situation the Outlook also announces that LaFollette will also contribute some articles, telling his views of things. Whether the LaFollette articles will be printed on asbestos or not, is not divulged. Mr. Roosevelt also will contribute some special articles on presidential problems—all of which

Have Seen Wonderful Progress From Ox-Carts to Aeroplanes

What wonderful progress the old people of today lived to see. In their young days the railroad was as much of a novelty as the aeroplane is now, and nearly everything else has progressed as much. Another modern idea is that people may be active and vigorous at 75 or 80 years if they will be careful to keep up their strength. Mr. Jno. N. Kelly, aged 75, who lives at Lake Charles, La., says he was badly run down from overwork, and took two or three bottles of Vinol, by advice of his druggist. He is now better than for the past ten years and actually feels fifteen years younger.

There is certainly nothing like Vinol, our delicious cod liver and iron preparation, to build up and keep up all weakened, run down persons. It is especially good for old people too, because it is very pleasant to take and agrees with the stomach. There is no cod liver oil in Vinol. We guarantee it to give you perfect satisfaction. Stegert & Williams, druggists, Coshocton, O.

gives promise of a strenuous life in the sanctuary for the coming twelve months. The Outlook has furnished more national material the past year than any other magazine issued. We agree with the Outlook's style of "progressiveness." It is effectually progressive without any pompous hair about it.

Want Mayor Impeached.

Columbus, O., Nov. 21.—Charges of malfeasance in office were filed with Governor Harmon against Mayor Turnbull of Canton by Revs. Townsend and Delays of that city. The preachers accuse the mayor of not enforcing liquor laws.

From The Age of Nov. 24, 1901. Dr. Platteau, his corps of teachers with the assistance of hundreds of school children are preparing to make Thanksgiving pleasant for the poor. Each pupil was asked to bring a vegetable or food of some kind and Mr. Clark was named to distribute the supply because of his knowledge of where the families in need were.

Secretary Boyd this morning received a letter from the secretary of the glass company at Pittsburg in response to the telegram of yesterday that half enough lots had been sold to land the plant. The glass company officials were pleased with the prospects and are ready to sign the contract Saturday.

The line up for the high school football game that will play again Cambridge Thanksgiving day is as follows: Miller, C., Speckman, lg., Sterzbaugh, rg., Beach, lt., Fisher, rt., Timmons, lg., Hill, rg., Selby, ft., Horshman, lt., Stewart, lt. and captain.

An interesting meeting of the Protected Home Circle was held in their rooms in the Forbes block, a literary program being rendered. Little Anna Louise Gossline delighted the audience with a number of selections.

The school teachers are already moving in their behalf, and a bill will be introduced in the general assembly early in the session providing for a minimum salary to be paid to the teachers. A similar measure was discussed at the last meeting but failed to pass.

Miller Boy Dies Thursday Of Dread Disease—Private Funeral Today

Paul Miller, 1 years old, the son of Thurman Miller of Canal Lewisville died Thursday evening at 7.30 at the home of his grandparents, Mr. and Mrs. James Nelson after being ill for a week with diphtheria. The child had been seriously ill since the very first of his illness but his condition was not thought critical until Wednesday night. All day Wednesday he seemed slightly improved but Wednesday night took a turn for the worse and nothing could be done to save his life. Rev. Whitehurst, of Roscoe, will have charge of the funeral services which were conducted at the late home Friday afternoon at 2 o'clock. The boy was buried in Canal Lewisville cemetery. Because of the nature of the disease the funeral was private.

BIGELOW'S FORCES SPLIT OVER MOVE

Some Object to Mixing Politics With the Convention.

Cleveland, O., Nov. 21.—As the result of an alleged alliance between Herbert S. Bigelow of Cincinnati and a group of LaFollette Republicans, a split in the ranks of the dominant faction of the delegates elect to the constitutional convention is imminent. Bigelow who has been regarded as the leading candidate for president of the convention, is working for W. S. Pollock of Cleveland, LaFollette Republican, for secretary of the convention. Bigelow was in Cleveland using his influence for Pollock, despite the fact that the Cuyahoga delegation is pledged to Halloran D. Banks for secretary. Banks was the only one on the Progressive Constitutional league slate who was defeated for delegate. Several delegates elect recent Bigelow's advocacy of Pollock.

Many of the delegates elected by the league see in Bigelow's activity a move for LaFollette through the machinery which will be set up for running the convention. They threaten to balk the organization.

"It is true that I have been suggested as a candidate for secretary of the convention," said Pollock, "I have not definitely decided to run, but may do so. Of course while Mr. Banks is a candidate I do not wish to prejudice his chances."

Bigelow has been regarded as a Democrat, but he was prominent among the progressive Republicans who endorsed LaFollette for president at the Chicago conference last month.

OWES HER HEALTH

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am exactly ever without it in the house."

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My oldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her."

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."

—Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 2.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.

MISERABLE DYSPEPTICS

All the world looks gloomy to the man with the upset stomach. He sees the world through smoked glasses and never tries to rub off the smoke.

Cheer up, Mr. Dyspeptic, there's bright days ahead of you. Go to C. E. Anderson's this very day and say I want a box of MIO-NA tablets. Take them as directed and if the misery doesn't leave your stomach and bring a sunny smile to your gloomy countenance, go and get your 50 cents back.

MIO-NA stomach tablets will promptly end the distress of indigestion, will stop nervousness, dizziness, drowsiness, sick headache and sleeplessness. Fifty cents buys a large box at C. E. Anderson's and druggists everywhere.

AUTO OWNERS MUST BUY TAGS

Local automobile owners, and in fact, all owners of motor cars, in the state, will soon have to again dig down in their pockets for five dollar bills with which to purchase new license tags for the year 1912.

Local automobile owners and garage owners are expecting the new license in about a month. It is not yet known what the design of the tags will be this year. The designs have been somewhat different every year so far. The 1909 tags had white letters with a blue background; in 1910 the background was of mahogany color with white letters; this year the tags are the simplest and plainest of all, with plain black letters on a white background.

The price of the license tags for private cars is five dollars per year. Tags on shop cars cost ten dollars and they may be transferred from one car to another. There is a penalty attached to the owner of a private car who uses a tag on any other car than the one for which the tag was originally intended. Tags must be placed in some conspicuous place

on the car, and they are mostly "worn" on the rear and in front. They must be placed near a light so that the number may be readily seen at night.

The law compelling all license of cars to have chauffeur's drivers is also still being strictly enforced. Like the license numbers, these must be renewed every year. Up until a few years ago city tags were also required, but these have been abolished.

Legan Wants Election.

Logan, O., Nov. 21.—The Hocking County Business Men's association, pushing the local option election in this county, gathered in their petitions. They had 2,965 names signed. Three years ago the drys had 2,410 names on their petitions. The wetts have 63 per cent of the vote of two years ago. The petitions will be filed with Judge V. C. Lowery tomorrow.

Prejudice is a hard thing to overcome, but where health is at stake and the opinion of thousands of reliable people differs from yours, prejudice then becomes your menace and you ought to try to aside. This is said in the interest of people suffering from chronic constipation, and it is worthy of their attention.

In the opinion of legions of reliable American people the most stubborn constipation imaginable can be cured by a brief use of Dr. Caldwell's Syrup Pepsin. You may not have heard of it before, but do not doubt its merits on that account, or because it has not been blatantly advertised. It has sold very successfully on word of mouth recommendation. Parents are giving it to their children today who were given it by their parents, and it has been truthfully said that more druggists use it personally in their families than any other laxative.

Letters recently received from Mr. Henry G. Voskamp, 7905 Decker Ave., Cleveland, Ohio, and Lydia R. Paulson, Jewett, Ohio, are but a few of thousands showing the esteem in which Dr. Caldwell's Syrup Pepsin is held. It is mild, gentle, non-grating—not violent, like salts or cathartics. It cures gradually and pleasantly so that in time nature again does its own work without outside aid. Constipated people owe it to themselves to use this giant bowel specific.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a simple bottle sent to the home free of charge by simply addressing: Dr. W. R. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

THIS IS PRE-EMINENTLY The FUR STORE OF COSHOCTON COUNTY

— the home of "trustworthy" Furs, sold to you with the guarantee of absolute satisfaction or your money back — an honest combination that's hard to beat and one that's sure to please those who depend upon their store to give them true value for every dollar.

Some thirty-odd years spent in buying and selling Furs has taught us the "fine points" of the business — we have learned through plenty of experience, facts that are practically unknown to the general buying public and the knowledge we have attained along this line is evidenced by the better values we give.

You Get the Benefit of Our Experience

in more ways than you probably realize. One of the big things we have learned is, that it's absolutely necessary to make our purchases from only reputable manufacturers and this we do year in and year out. We buy Furs from manufacturers who have proven themselves unquestionably honest about every piece of merchandise they send us — assuring you a choice range from the best Fur stocks obtainable.

PRICES ARE LOWER too, on our high grade Furs than you'll find quoted elsewhere for those of inferior quality. The assortment we have ready now includes every good kind at honest, fair prices in separate Scarfs, Muffs and in Matched Sets. This is just the sort of weather that makes Fur wearing pleasant and really necessary to good health, while facing the cold November blasts — may we have the pleasure of preparing you for real winter weather with Furs that will give you everlasting satisfaction?

WE'LL EXPECT YOU TOMORROW!

ON A COLD WINTER NIGHT

When you are half sick and have taken the hot water bottle to bed with you, it is decidedly uncomfortable to wake up along toward morning and feel as though a cold toad had crept in beside you. Hot water retains heat a very short time. The modern way is to use an electric pad. The wire can be attached to the light socket in the bedroom and the pad will keep at any desired heat all night long. That's real comfort, and it is cheap. It takes very little current. Besides, there is no chance for a leak. It is the modern way, it is the real way. Drop in and see our electric household helpers.

HOW TO TREAT OLD SORES

The proper way—the only successful way—to treat an old sore is to destroy its source. Not by dangerous surgical operations or irritating, "drawing" plasters, but by Nature's true method of purifying the blood and filling the circulation with rich, nourishing properties; then the cure will be natural and lasting. We can easily understand how impurities in the blood will infect some weak point on our bodies, and by continually discharging impurities into it keep the place open and inflamed until a chronic ulcer is formed. Nothing then is so sure to produce a cure of these old sores as S. S. S. This medicine is Nature's perfect blood remedy, composed of the most healing and at the same time the most penetrating and blood-purifying properties. It removes every particle of impurity or morbid matter from the circulation, and assists nature in the increasing of healthy, nutritious corpuscles in the blood. S. S. S. makes pure blood, and pure blood is Nature's unfailing cure for old sores. Every sufferer with an old sore should use S. S. S., because it is the remedy they most need. Book on Sores and Ulcers and medical advice free. S. S. S. is sold at drug stores. THE SWIFT SPECIFIC CO., Atlanta, Ga.

ARE YOU WORKING FOR YOUR BABY? DO YOU RECOGNIZE OPPORTUNITY? ARE YOU EQUAL TO THE OCCASION?

No One Is Forced to Gather Subscriptions Although It Is Essential in Order To Win a Cash Prize — Photographs and Engravings Are Free — It Costs Absolutely Nothing to Enter the Enterprise—The Feature Presents the Opportunity of a Life Time—It Is Not Too Late To Enter a Baby — There Are Many Reasons Why The \$800 Event is Attracting Such Wide Attention—Send in the Baby's Picture Without Delay or Have the Tot Photographed at Once.

Have you ever seen anything in your life that has so excited a community as has the baby gift enterprise of The Coshocton Age? No, you never have. In fact, there isn't a reason in the world why the event shouldn't be the most talked of affair, the most startling feature that was ever promoted in any city. There are many things that make the \$800 enterprise a truly notable event. In the first place, it is a worthy cause. The big folks have had their chances. There have been trips to Europe, trips to Bermuda, automobiles, pianos and many other things, given away by different newspapers throughout the country, in circulation promotion. But only in a very few instances have the babies, the dear little dimpled darlings been given presents of such great value as The Age offers. In promoting the baby gift enterprise, The Age associates with it, a number of very interesting features of special nature. In the first place there is absolutely no cost attached to entering the event. Any parent can place her baby in the enterprise without the cost of a penny. No one is forced to solicit subscriptions, but nevertheless The Age is anxious to increase its circulation through the enterprise.

Eight hundred dollars in gold is paid for the work which The Age expects to be done. There is nothing one sided about the proposition. The Age has the babies' pictures taken at its expense; the engravings which cost one dollar apiece, are provided by The Age, free of cost to the parties entered in the enterprise. The pictures will be displayed on the canvass of the local moving picture shows. A clever little write-up appears with every picture. And all this is absolutely free of cost. Procuring subscriptions to The Age is also a very worthy effort. Did you ever stop and think dear reader, that when you sell a good newspaper to a friend, you are doing him a favor. He is not doing you any particular great favor by giving you the subscription; he is simply spending his money for a periodical that will make him a better posted man, a better educated man. He could not spend money to a better advantage and the contributor to the party who has induced him to purchase the paper will be no baby can be made a winner through the free coupon ballot alone. Of course the coupons should be gathered as they count up mighty fast, but do not lay too much stress upon this feature. Go quietly to your friends and get them to hand you their subscription, if any of them object to paying in advance for their paper, explain to them that they secure the paper for less on the year by subscribing during the gift enterprise. Weigh these things well. Think over them thoroughly. Your baby is just as deserving of winning a prize as any other little tot. In a good many instances your friends have already started to boost your little tot. As in an instance Friday. A parent of one dear little tot called at the office of The Age and asked that her baby's name be withdrawn from the competition. When the name was looked up, the discovery was made that over six hundred votes had been handed in for the little urchin. "Why, if my friends are boosting that way, I guess I won't withdraw the baby; I will start out and do something for him myself," remarked the lady.

It is not a difficult thing to win one of the liberal cash prizes. In fact it is easy when you know how. The manager of the gift enterprise is always in his office. Call, write or phone to him. If you are unable to call at the office, telephone him and he will call at your home and explain all details. Of course you want the baby's picture to appear in the paper. Don't neglect this matter. Get an order from the manager at once. Photos are taken free at the Danford studio on Main street. Mrs. Danford will do the baby full justice and will

prepare an excellent likeness for the paper.

TRAIN FALLS INTO RIVER

Soyer does not claim that his system of cooking in paper bags will cook soups, and adds: "It is evident that tea must still be made in the teapot." And there are a few other exceptions, but generally speaking it supersedes the pots and pans way of cooking with absolute success—and economy.

Thanksgiving Specials

The store that sells, "good quality" cheaper than any other store.

The D. & S. Cash Grocery

The "Busy Store." Why? Our Low Cash Prices to one and all.

Why Does The D. & S. Business Increase?

When dealers on every side are complaining of dull business? Here is the answer — the majority of Coshocton families find that they can get better values in high class groceries at the D. & S. than anywhere else. The increase last week was very gratifying. It bears the stamp of public approval, but we are going to smash that record this week and we expect our low prices and high quality to accomplish it. We want your patronage and will get it if you make comparisons, the only method whereby value, quality and true worth are measured. If you will come here and compare the quality of merchandise with that which you find elsewhere at corresponding or higher prices you will realize why this store is the logical one at which to do your buying. Down goes the price for Saturday, Monday, Tuesday and Wednesday.

VENISON ROAST BY BOY SCOUTS WAS A SUCCESS

C. D. Brooke and Scout Council Were Delighted With Affair

C. D. Brooke, Rev. Albus, rector of Trinity Episcopal church, other members of the Boy Scout council and newspaper men were the guests of honor at a venison supper given by the Boy Scouts in the Imperial restaurant room on Main street Thursday evening. The scouts proved themselves royal hosts and everyone who partook of the great feast pronounced it one of the most thoroughly enjoyable they ever had seen.

The deer was presented the boys by C. D. Brooke it being the one he shot while on his hunting trip in the west last week. The scouts served the guests in admirable style and everything went off without a hitch.

Vice Pres. T. L. Montgomery acted as toastmaster after the plates had been cleared away. He called on the following members of the Boy Scouts for brief addresses: Harry Keefe, William Timmons, William Parsons, Blaney Mills, Clay Allison, Thomas Hunt and others. Each expressed his gratitude for Mr. Brooke's gift and to Mr. Selby for his kind permission of the use of his farm in Roscoe as the official play ground of the Scout band.

C. D. Brooke held the boys spell-bound while he told just how he shot the deer the meat of which had furnished the company with a feast. Mr. Brooke told of the splendid physique of the guides of the north; how none of them used tobacco because it affected the heart; none of them drank whiskey because it made them susceptible to the cold. He told how they could find their way through a dense forest miles away from civilization as easily as a city man can find his way through the streets.

When Mr. Brooke had finished he was met with a storm of applause. Every Boy Scout is anxious now for the time to come when he too, can hunt deer in the wilds of the north. Judge Frank Ashman delivered a short address appealing to the boys to be real men. He pointed out to them what it means to choose the right road through life.

Rev. Albus gave a short talk to the boys and it was thoroughly enjoyable. He said that the scout movement was started for peace not war; that the boys were being trained to be men not soldiers.

Rev. E. O. Selby touched the vital spot of the evening when he suggested that a committee be appointed to select a place for the building of a swimming pool to insure safety to the young men of the city. Mr. Selby was appointed chairman of this committee by Toastmaster Montgomery, and the rest of the committee will be later appointed. The evening was a delightful success and was enjoyed to the fullest extent by not only the Boy Scouts but

BENEVOLENT IN TIME OF NEED

Poor Woman With Family Surprised With Shower of Provisions.

Loads of good things to eat and plenty of good warm clothing were given Mrs. Lucy Courtwright and her little family of three children living alone in a small house buried in the hills of Coshoccon last Thursday night, by friends and neighbors of the destitute woman.

A few years ago Mrs. Courtwright was left a widow when her husband was crushed to death under a heavy fall of slate in a coal mine. The woman was plucky although unable to do hard work because of her muscles being horribly drawn with rheumatism. It is with difficulty that she gets around the house. Her oldest son was stricken with the same ailment a few weeks ago and is now unable to contribute toward the support of his brother and sister, both too small to be able to make much money.

Winter's cold blast was felt keenly by the little woman and her family. Neighbors and friends took pity on her and Thursday night planned the surprise shower of food and clothing. The woman was completely surprised. She has enough in the house to keep the wolf from the door for weeks to come. Then there may be another shower.

Use TIZ- Smaller Feet

Sore Feet, Tender Feet and Swollen Feet Cured Everytime. TIZ Makes Sore Feet Well No Matter What Ails Them

Everyone who is troubled with sore, sweaty, or tender feet—swollen feet—small feet, corns, calluses or bunions can quickly make their feet well now. Here is instant relief and a lasting permanent remedy—it's called TIZ. TIZ makes sore feet well and swollen feet are quickly reduced to their natural size. Thousands of ladies have been able to wear shoes a full size smaller with perfect comfort.

It's the only foot remedy ever made which acts on the principal of drawing out all the poisonous exudations which causes sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists 25 cents per box or direct if you wish from Walter Lather Dodge & Co., Dodge Bldg., Chicago, Ill.

WILL FURNISH A ROOM IN HOSPITAL

The women of the Coshoccon Woman's club held a meeting last evening and decided to furnish a room at the municipal hospital, and will have delegates at the public meeting to night, called by Director Timmons at the library authorized to take the matter. The furnishing of a room costs about \$75, and must be according to the approval plan. There is promise of a big attendance at the meeting tonight as many clubs, lodges and individuals are anxious to furnish a room.
